

Which E-mail Service is right for you?

Free e-mail services allow you to access you account from virtually anywhere an Internet connection is available. Simply type the website address of the e-mail server into your Internet browser and register/login to your account.

E-mail Service	Yahoo! mail.yahoo.com	Hotmail www.hotmail.com	Gmail	SAFe-mail www.safe-mail.net
Inbox Size	Unlimited	500 MB	7 GB and increasing daily	3 MB
File Attachments	25 MB	10 MB	25 MB	Msg not larger than 25 MB
Account Expiration	4 months	9 months	9 months	6 months
Personal Information	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	none
Attachments Scanned for Viruses	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	

Once an account becomes inactive, all messages, folders, and contacts are deleted, but the account name is still reserved.

*** Some of these services offer additional premium options for a fee (more storage space, reduce banner and pop-up ads, POPmail access, etc.).

Check each website's options, faqs, or help links for more details. Be careful when responding to “**free**” offers. Many of them actually require some kind of monetary commitment.
